

	EHSMS – SYSTEM PROCEDURE	Doc No: UPC/EHS/1.001
	ENVIRONMENT, HEALTH & SAFETY POLICY	Date: 09/01/2017

1.0 HEALTH, SAFETY AND ENVIRONMENTAL POLICY

UPC Management and staff are committed to produce environmentally suitable products to ensure the health and safety of all employees, customers and communities where we operate. We also ensure that our practices are in compliance with UAE Federal Law, other local statutory/regulatory requirements, OSHAD SF version 3.0 and IDB OHSMS requirements.

The Management of United Precast Concrete Abu Dhabi LLC recognizes the importance of health and safety for all its employees and is committed to:

- Prevention of injury and illness of the employees, contractors, stakeholders and visitors.
- Identification and management of OHS risk
- Prevention of environmental pollution throughout the operations and functions of the United Precast Concrete Abu Dhabi LLC
- Design, Production, Storage, Delivery and Erection of Precast concrete elements in compliance with Abu Dhabi EHSMS Regulatory Frame Work (EHS Regulatory Instrument Code of Practice), IDB OHSMS requirements, Ministerial Orders, Federal laws and International HSE Standards.
- Provide appropriate EHS resources, trainings, facilities and controls to maintain a safe working environment.
- Provide adequate welfare facilities to enhance health and well being of employees.
- Develop and endeavor to achieve the set EHS goals and targets in support of this policy
- Monitoring and reviewing the set EHS objectives, targets and Key Performance Indicators.
- Continually improve our Environmental, Health & Safety performance by conserving natural resources, preventing pollution and providing a safe working environment.
- Provide adequate Personnel Protective Equipment to the employees with respect to the nature of the work they perform.
- Communicate this EHS policy to all stake holders, contractors, visitors and employees of United Precast Concrete
- Review this EHS Policy periodically

This policy is reference to OSHAD SF version 3.0 and IDB EHS Policy and this policy applies to all the operations and functions of United Precast Concrete Abu Dhabi LLC, and required to be implemented by all employees, contractors, stakeholders and visitors in United Precast Concrete Abu Dhabi LLC

Matthew Palmer

General Manager
